

Yes, it's the return of the classic Dream Cake with the benefits of Cherry and Chocolate Chips!

Who's up for some late winter creativity?

***Cherry Chocolate Chip Dream Cake*, made from our outstanding Dream Komplet Crème Cake Mix.**

What did we do?

For the small batch recipe (10 lbs. mix), we added 1 lb. 10 oz. cherry icing fruit (fruitex) and 2 lbs 8 oz of chocolate chips and left everything else the same. Our Dream Komplet Creme Cake Mix is very tolerant to your creativity! Accent with our Sweet New Snow non-melting decorating sugar for an even greater touch!
